

# Telescopic Cover Support

6-190

## Advantages

- Clicks into place.
- When using two cover stays ring bolts (2) can be screwed on the inside of both locks. After connecting them with a steel wire both cover stays can be unlocked simultaneous.
- RH and LH application.

## Material

- **Telescopic cover support:** steel, zinc plated
- **Spring:** stainless steel

## Remarks

The opening angle is determined by the dimensions X and Y.

## Telescopic Cover Support

	Product number	Length L retracted	Length L extended	Delivery Unit
a)	230-9305.00-00000	370±2	710±2	1 pc.
a)	230-9306.00-00000	215±2	355±2	1 pc.

<b>Telescopic Cover Support 230-9305.00-00000</b>				
Opening Angle	Length L, retracted	Length L, extended	approx. Dimension y	approx. Dimension x
90°	370 [14.567]	710 [27.953]	660 [25.984]	240 [9.449]
